

Petaluma Joint Union High School District Trustee

Frank J. Lynch

Age:69

Occupation: Retired School District Superintendent

I am running for the governing board of the Petaluma Joint Union High School District because I believe that my years of experience as a classroom teacher, a site level administrator, a school district superintendent, a county superintendent, and adjunct faculty member for the University of San Francisco will be of benefit to the students, the educators , the citizens, the district , and the governing board as the district moves forward in its mission to provide every student with the opportunity to be successful in whatever endeavor he or she pursues.

I have lived in Petaluma since 1986. I am married. I have two children and two stepchildren. I have five grandchildren. Two of those grandchildren go to school in Petaluma.

I believe that we have one of the finest school districts in Northern California. As a member of the governing board it will be my duty to make sure that the teachers and the administration have the resources that they need to continue to provide a world class education. It will also be my duty to make sure that the district hires and retains the best employees that it can find. And, the construction projects as outlined in the general obligation bond initiative will also be completed to the satisfaction of the voters.

I look forward to serving you as a trustee for the Petaluma Joint Union High School District.

Thank you for your vote.
